COMMENTS FROM THE TOWN MANAGER'S OFFICE

This being my first week on the job I do not have very much to report on, I have met many people and am very pleased by the treatment received.

The most important business transacted by the town this past week was to purchase a new loader. The new machine is a gas operated Allis-Chalmers with a 1 1/2 yard bucket which is larger than the present loader. Delivery is expected sometime the first week in May.

Mrs. Burton Linscott of Honolulu, Hawaii, arrived on Wednesday to visit her mother, Mrs. Addie Saunders.

Mrs. Hattie Vail is improving at the home of Lynn Bennett at Skillingston. On Friday she will celebrate her 84th birthday.

Mr. and Mrs. Robert Clemons and family attended the christening of Mr. and Mrs. Frank Morgan's baby daughter in Brunswick on Saturday.

Guests of Mr. and Mrs. Rodney Eames on Saturday were Mrs. Grant Ranslow of Long Meadow, Mass., and Mrs. Joseph Sperazza of Gilford, Conn.

Overnight guests of Mr. and Mrs. Robert Clemons on Monday were Mr. and Mrs. Roger Dalgleish and children Judy, Laurine Ann, Earl, Nancy, of Suffield, Conn.

Mrs. Wallace Saunders and family spent the week in Brownville Junction visiting Mrs. Hugh Miller. Mrs. Miller returned with them to spend the week end visiting in Bethel.

Miss Julia Brown and Mrs. Leona Flint will leave Thursday noon to spend the week end with Dr. and Mrs. Eugene Kallman and Mr. and Mrs. Frank Flint and Wendy at Fairfield, Conn. Mrs. Abbie Brown will accompany them to West Newbury, Mass., to spend the week end with her daughter, Arlene Brown.

DAYLIGHT SAVING TIME STARTS SUNDAY

Daylight Saving Time begins next Sunday morning, April 29. Just set all timepieces ahead an hour Saturday night and forget it.

CHAMBER OF COMMERCE TO HEAR ABOUT JAPAN

John Tebbets will talk about his experiences in Japan for the Ekco Products Corporation at the Tuesday, May 1, meeting of the Bethel Chamber of Commerce. How to Do Business in Japan will be the actual title of his talk but it is assumed that there will be some interesting sidelights.

The meeting will be held at the Congregational Church and will be preceded by a dinner, which will be served by Circle 1 with Mrs. Elizabeth Wheeler and Mrs. Ruth Kittredge as co-chairmen.

GOULD'S BINGHAM GYM SCENE OF GREAT CHANGE

Preparations for construction of the new "Bingham Hall" at Gould Academy are well underway. The old gymnasium is now bare of balconies and stage and excavation is progressing under the former stage area where the new heating plant will be located. The gymnasium is to be completely rebuilt to provide improved and enlarged girls' athletic facilities.

The new building will include a 550 seat auditorium with modern staging and projection facilities as well as faculty and alumni rooms. Completion is expected in September 1963.

The William Bingham Gymnasium was built and equipped through the generosity of the late William Bingham 2nd in 1921-22. It was used by both boys and girls until the Field House was completed in 1941 for boys' use. The "old" gym has been the scene of all school activities and many community projects during the past 40 years.

The Legion Auxiliary met Tuesday evening at the Legion Room. There were twelve members and four guests present. Among the guests were the President of the 2nd District, Laura Lavino, from Livermore Falls, and Vice President of the 2nd District, Sterlene Riley, of Livermore Falls, who spoke to the group. Stephanie Thurston received the mystery package. Poppy Posters are to be in by May 16. They are being made by children in the grade schools. Arrangements for the annual convention were discussed which will be June 23-24. The Smorgashord held last week was a success.

Local School Crowding to Continue

The PTA met Tuesday evening at Crescent Park School for a musical program by the Crescent Park School Band directed by Mrs. Edith Eypert followed by the regular business meeting.

Mrs. Natalie Timberlake reported that the fluoride program has had to be postponed until summer at which time the parents will be notified.

It was announced that there will be a meeting at South Paris, May 2, at 7:30, conducted by Mrs. Strout on legislative problems concerning education.

A nominating committee was chosen to prepare a slate of officers for 1962-63 to be presented at the next meeting. They are as follows: June Swan, Clif-

ford Laws, Phyllis Dock.

After the business meeting, the following problems were discussed:

Mrs. Edith Eypert described her Tuesday and Thursday schedule in the Bethel schools and her after school workshop for the band Thursday. Unfortunately, her schedule is over-crowded, the music books are outdated, and the congestion in the hall for band practice is not only a diversion to the other classes but a fire hazard as well. There is no solution to this problem due to lack of adequate space. As it is now many of the grades can have music only every other week to allow the other half of the split grade to have it the alternate week. Those who do have music every week have only a 15 to 20 minute period.

Colwyn Haskell gave a committee report on the study of physical education in the schools. There is no organized program at this time or hope for it in the near future, again, because of inadequate space and facilities.

Richard Davis reported on the progress of the plans for the two new rooms at Crescent Park School. Alonzo Harriman Associates of Auburn is the architectural firm chosen to draw up the plans. The bids have not yet been submitted, but, it is hoped to begin work next month in order to be finished by the time school starts in the fall.

It was pointed out that these rooms would give no more classroom space. They are only relieving the basement classrooms in the Primary School.

It was also pointed out that the cafeteria and lavatory facilities will be even more inadequate with the added pupils.

A group discussion followed

which brought out the general concern for the over-crowded conditions and lack of facilities.

It was pointed out that

there is a great need of action

to alleviate this situation in the very near future.

The regular meeting of Franklin Grange was held at the Grange Hall on Saturday evening with Deputy Roy Wardwell of Albany present to inspect the work of the 1st degree. Mrs. Wardwell served as pianist. The chaplain of the Grange assisted by Ceres draped the altar in the memory of the late Theodore Dunham. The committee of resolutions consisted of: Lettie Brooks, Edith Abbott and Elsie Cole. A discussion was held upon pending plans to hold a 3 point meeting, with Franklin Grange as host on May 19, preceded by a 6:30 supper. An invitation was read and accepted to attend the 60th anniversary of the Peru Grange on May 14th, at which time a 6:30 supper will be served. Deputy Roy Wardwell spoke briefly concerning the degree work. The next meeting will be held on May 5 at 8:30 when a tasting party will be held following the meeting.

The Star Birthday Club will meet May 2nd at the Town Hall in Locke Mills for a 6:30 supper. Those serving will be Dora Ford, Bertha Flanders, Elsie Bennett and Jeanette Tebbets. Members planning to be present are requested to bring sandwiches.

Mr. and Mrs. Edward Bear and family of Hartford, Conn., have been guests of her mother, Mrs. Pearl Cole, on Summertown Road, recently.

Mrs. Etta Billings of Auburn has been a guest of her daughter, Mrs. Marie Harrington, on Main Street.

S-Sgt. Norbert Berryment and family left Wednesday morning for Newtown Square, Pa., after spending a week's leave with his mother, Mrs. Blanche Berryment, on the Gore Road.

SP4 Peter Cox and wife, also sister, Mrs. Donald Burns, all of Gorham, N. H., were recent callers of their mother, Mrs. Russell MacAllister of Rumford Avenue. SP4 Cox has been home in Gorham on a month's leave and left Monday morning for New York City where he reported for further duty, "Somewhere in Europe."

Michael Hathaway was at home with his parents, Mr. and Mrs. Eileen Hathaway of Rumford Avenue, from the Boston Conservatory of Music.

Paul MacKillop and David Cummings enjoyed a week's vacation from their studies at the Christian High School in Rockport.

Samuel Thomas Smith, late of Bethel, deceased; Lucia Ellen Smith of Bethel, Executrix without bond. April 17, 1962.

Daylight Saving Time

The Summertime Act, passed as a war economy during WW I brought Daylight Saving Time to England—and confusion to the trenches in France. All nations, including Germany, were forced to change their clocks and thus, re-synchronize the war.

In 1918, President Wilson signed a bill introducing D.S.T. to the United States. It has always been opposed by farmers who were forced to change their livestock's schedules in order to reach the market before closing.

Now used in 27 states (and 10 foreign countries) D.S.T. affects interstate phoning or traveling. Confused about which way to turn the clock on April 29? Makers of the Westclox Baby Ben offer this tip: "You Spring forward and you Fall back!"

SCHOOL NEWS

The Bethel School Building Committee will meet Monday, April 30, at Crescent Park School. Plans for the two-room addition to CPS will be presented by the architect. In addition, the committee will meet with interested teachers to hear suggestions for improvements which may be included in the new rooms.

Tomorrow evening the school committee will meet at CPS at 8 p. m. At present the committee is considering the creation of a supervising principal's position at Crescent Park.

Bethel's eighth grade graduation will be held Monday, June 11, at 3:00 p. m. A poll of parents indicated an almost six-to-one preference for the afternoon graduation time. Exercises will be held under the tent used for prior academy programs.

Greenwood Parent-Teachers Group will meet at Locke Mills School, May 28.

Results of County Spelling Bee held Wednesday, April 25, at West Paris High School: 1st, Anita Doyle, Grade 7, West Paris; 2nd, Joyce Farwell, Grade 6, Greenwood; 3rd, Charlene Moore, Grade 8, Rumford. The word missed by the runner-up was "garrison," which was spelled by the winner who went on to spell "referee." Bee Master was Bernard Ross, principal of West Paris High School. Words were read by Miss Helen Varner, teacher at Bethel's Crescent Park School.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, April 26

The Lord is nigh unto them that are of a broken heart.

When Samuel Bradburn's wife Betsy died, the young preacher wrote these words in a letter to his friend John Wesley: "Despair and killing anguish have drunk up my spirits and nearly consumed my body."

Wesley wrote in reply: "Our comfort is, He that made the heart can heal the heart. Your help stands in Him alone. His tender care I commend you."

This reply of the great man of God points to the true source of light in the darkness of bereavement—to none other than the living Christ. It is He who causes His friends to rejoice, giving them "beauty for ashes."

the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the Lord, that he might be glorified."

Prayer: O Father almighty, Thou who didst raise from the dead Thy beloved Son, number us among the rejoicing friends of the living Savior. Pervade our hearts with the light of His spirit. Grant us power to do His bidding. Render us joyful in service to our Savior who taught us to pray, "Our Father who art in heaven.... Amen."

Thought for the Day

WATERING TROUGH

Do you remember the gray-weathered plane watering trough beside the road? It was that a lad would place a small water snake or two in the trough and hide in the bushes until a farmer drove up to give his thirsty team a drink. When the horses reared at the sight of the snakes, perhaps a middle-aged farmer smiled as he got down and fished out the reptiles—remembering how it was a generation ago when he walked that same road to school.

The outside of the trough was dark-stained, and patchily covered with gray-green lichens. Inside, there was a wonderful, exciting world for 12 year-old to study on the way to District School. One wonders how many men now sitting in dignified offices have pushed their faces into the cold water and looked at the underwater scene.

Country boys half a century ago were the original skin divers. When one opened his eyes beneath the water, he saw an ocean floor — furrowed and ridged with gray silt that reminded him of the gray and black topographical maps in his dog-eared geography. Waving tendrils of moss moved slowly in the water. The sides of the trough were coated thickly with the gray material.

Usually farm boys saw to it that a turtle and a trout or two were kept in the trough. And it has been known to happen that a lad would place a small water snake or two in the trough and hide in the bushes until a farmer drove up to give his thirsty team a drink. When the horses reared at the sight of the snakes, perhaps a middle-aged farmer smiled as he got down and fished out the reptiles—remembering how it was a generation ago when he walked that same road to school.

You can't tell what's wrong by where you have the pain. Pain is sometimes what the doctor's call "REFERRED." That simply means that when something is wrong with one part of your body, it hurts somewhere else. Hip troubles can give you a pain in your knee. An ailing heart can cause pain in a shoulder and arm. Decayed teeth can give you an earache. Pleurisy can cause abdominal or shoulder pain.

You can get a false sense of security once you've managed to dispose of the pain. Meanwhile, what's really wrong with you can be getting steadily worse. If you see the doctor in time, much of what ails you and is causing the pain can be successfully treated.

If the pain is an occasional headache or some stiff muscles from spading the lawn, it's probably okay to take a couple of aspirins and then forget about it. But if pain recurs or is persistent, stay away from the aspirin bottle and pay a visit to your doctor.

Does he do good work at a fair price?

Does he give satisfactory delivery?

Does he offer ideas, if desired, in designing printed matter to meet your needs?

Does he have connections with specialists who will provide service in lines not economically produced in the ordinary printing plant?

If he can't do your work when and as you want it done, does he say so?

If you have or expect to have printing problems, why not call the Citizen Office — VAndyke 4-2444?

WING - MUNDT

Miss Evelyn Alice Mundt became the bride of Cole Lester Wing April 20 at the Bethel Methodist Parsonage. The double ring service was performed by Rev. Richard Hamilton. The bride was attended by her sister, Miss Barbara Mundt. The groom was attended by Robert Welsh of Rumford.

The bride wore white rayon cotton sheet with a short jacket and a corsage of red roses. The maid of honor wore green cotton with a corsage of baby orchid. The bride is the daughter of Mr. and Mrs. Malcolm Mundt of Bethel and attended Gould Academy. The groom is the son of Mr. and Mrs. Arthur Wing of Rumford and is a Stephens High graduate.

They are at home on Virgin St. in the Virginia section of Rumford.

SONGO POND

— Mrs. Ralph Kimball, Cor.—

Ice started breaking up in the pond Monday and the high winds drove it all to the foot of the pond where it has nearly disappeared after doing some damage along the shore. Smelts are reported running but very small.

Sharon and Betty Dunphy of Auburn spent last week with Mrs. Eleanor Bean and family.

Mr. and Mrs. Maurice Beaufre and Marie were in town over the weekend from East Rochester, N. H. Marie is spending this week with Mrs. Hollis Grindle, and Mrs. Harold McCulloch, Andover.

Mrs. Irene Hutchinson and Gilman Hutchinson were callers at Ralph Kimball's, Sunday.

Miss Lona Keniston and friend, Carl Meaux, spent the weekend end at Earlon Keniston's.

Mr. and Mrs. Robert Lincoln of South Amboy, N. J., are spending a few days at their summer home here.

MAINE FISH & GAME

PUBLISHED

The wise and adaptable coyote comes in for attention in the spring issue of Maine Fish and Game, the magazine published by the Maine Dept. of Inland Fisheries and Game. An article by Henry S. Carson, game biologist, and titled "Coyote, Coy-Dog, or Dog?" discusses the three animals in considerable detail.

Regular features of the 32-page publication include a report on big fish taken in 1961, the Atlantic salmon report, notes from the field, and others.

Maine Fish and Game is sent free of charge to those who request it. Those interested may receive by writing to the editor at the Fish and Game Dept., Augusta, Maine.

Luce Oil Co. measures heating oil deliveries by meter to assure accuracy

Now Shell Heating Oil is metered into your tank as electricity is metered into your home.

Our trucks are equipped with highly accurate meters that measure the exact amount of oil we deliver to your tank.

The meter prints the amount of oil

delivered on a receipt. You get the printed receipt as a permanent record for your files.

Metered deliveries are one of the many advantages we offer our heating oil customers.

Depend on it to give you an honest day's work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has double-wall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tailgate as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you

make up your mind to buy, get this one. We know you'll be happy with it.
HAVE YOU LOOKED INTO CAMPER BODIES? This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or play.

GOULD ACADEMY

Gould Teams in Openers

This Week End

On Friday, Coach George Bowhay will have six lettermen in the starting lineup against Mechanic Falls as the Gould team begins the defense of its Western Maine Conference Championship. The lettermen are Capt. Em Merrill, catcher, with Chuck Newell, a left-hander, on the mound. Steve Saunders will be at first, Owen Melville at short, and Scott Cummings on third. The only lettermen in the outfield will be Dave Hawkes in left field.

The three positions left will find Don Nowlin at second, in addition to doing some pitching. When he is on the mound, Donnie Young will probably be at second. In center field will be Bruce Moulton, a left-hander who will see mound action also. In right field will be Dale Stevens. Other team members are Alan Chapman (c), Art Hammond (of), and Tim Ramage (if). Tim Brooks is acting manager assisted by Dave Anderson.

The Friday game will start at 3:30 on Alumni Field. On Tuesday, May 1st, Mexico will play at Gould.

The Academy J. V. pastimers will open at home with a 2:00 game with the Hebron J. V.'s. Coach Berry's lineup will not be available until the end of the week.

Track Coach Joe Roderick,

PROF. CROSBY ATTENDS COUNCILLORS MEETING

The following is quoted from the "Bangor Daily News" of April 12, 1962, under "News from Our Maine Colleges":

"Professor Ruth Crosby of the University of Maine's department of English, a noted authority in medieval studies, will attend an annual meeting of the Councillors of the Medieval Academy of America this week end at Harvard University."

"Professor Crosby is one of 12 councillors selected to direct affairs of the Academy. The Academy promotes medieval studies and publishes 'Speculum,' a scholarly journal."

"Professor Crosby has been a member of the State University faculty since 1929."

with his assistants, Bob Scott and Phil Taylor, will be meeting Stephens High at Rumford on Saturday with only five lettermen available. Thirty-six men are out for track but most of them are underclassmen, and the usually powerful Huskies look way below par this year. Captain Alan Ring, Dan Grover, Fred Judkins, Bill Stowell, and Jim Weston are the lettermen back for another season.

The men to make the Rumford trip have not as yet been chosen. It will be interesting to see how the new material will perform against what probably will be another good Stephens High team.

PERMITS REQUIRED FOR BURNING GRASS

Permits for burning rubbish or grass may be obtained from Roderick McMillin, Fire Ward, or at the town office. The law regarding outdoor fires reads in part as follows:

It shall be unlawful for any person to kindle a fire for purposes of clearing land or burning logs, stumps, roots, brush, slash, fields of dry grass, pasture and blueberry lands except when the ground is covered with snow, without first obtaining a written permit. For this purpose the forest commissioner shall prepare and cause to be furnished to all state and town forest fire wardens blank permits signed by him. They shall have authority to countersign and grant such permits signed by the forest commissioner. State forest fire wardens working in the incorporated sections of the state shall have authority to countersign and grant such permits signed by the forest commissioner for any deorganized town or plantation not a part of the Maine forestry district and for state parks. The provisions of this section shall not exempt any person from securing a permit to burn on his own land.

Moisture, wind, time of day, length of burning period needed, sufficient force and equipment and any other condition deemed necessary for granting such permits for burning shall be at the discretion of state and town forest fire wardens.

Whenever in the opinion of the forest commissioner there is a serious forest fire hazard, due to dry weather conditions, he may prohibit all burning under the provisions of this section and in such periods state and town forest fire wardens shall refuse all requests to burn and declare void all permits already issued.

Any person to whom a burning permit is granted is in no way relieved of legal responsibility if the fire is allowed to escape or causes damage to property of another. Nothing herein contained shall limit restrictions of any town or plantation ordinance regulating burning of refuse or debris. This shall not apply to the rights of state forest fire wardens to set a backfire for the purpose of stopping a forest fire actually burning.

Whoever violates any of the provisions of this section shall on conviction be punished by a fine not exceeding \$100, or by imprisonment for not more than 30 days or by both such fine and imprisonment.

WILLIAM G. HOLT

William Holt died unexpectedly Wednesday morning at the home of his son, Joseph, in Hooksett, N. H., where he had spent the winters in recent years.

He was born in Greenwood, Feb. 21, 1886, the son of John L. and Fannie Rich Holt. He married Susie Elizabeth Bean of East Bethel, who passed away Feb. 17, 1946. Until her death they lived on the former Insley Young place on the East Bethel-Locke Mills road, where he was engaged principally in farming.

Surviving are two daughters, Mrs. Ruth Wilkinson of Bethel and Mrs. Esther Dietrich of Methuen, Mass.; five sons, Joseph of Hooksett, N. H., Edward of West Townsend, Mass., Donald of Bethel, Raymond of Wilton, and Francis of Emonds, Wash.; 27 grandchildren and eight great grandchildren; and a sister, Mrs. May Lowell Kimball of Boston. A son, Philip Earl, died in 1941.

Funeral services will be held at the Greenleaf funeral home Saturday afternoon at 2 o'clock, Rev. Richard Hamilton officiating. Burial will be in the family lot in the East Bethel cemetery. Visiting hours 7-9 p.m. Thursday.

RAY E. COTTON

Ray E. Cotton died unexpectedly Sunday night April 22, at his Mechanic Street home.

Born at Mount Vernon, Nov. 6, 1888, he was the son of Francis and Lizzie Philbrick Cotton. He had lived here 12 years.

He had formerly resided in Mechanic Falls. A 50-year member

of the Paris Masonic Lodge, he was also a member of Dwinall Chapter, OES, Mechanic Falls, and the Mechanic Falls Baptist Church. He married Annie Gibbs at Paris Hill 52 years ago.

He leaves his widow of Bethel; two daughters, Mrs. Ada Cummings, Plainfield, N. J.; and Mrs. Lyndell Carter, Bethel; a son, Albert F., Bethel; 14 grandchildren; and seven great-grandchildren.
